SAVE THE DATE

WELCOME MESSAGE

On behalf of the organizing and scientific committee, I am delighted to welcome you to the Burjeel Medical Conference 2025: Complex Medical and Surgical Cases Management happening on May 30-31, 2025 in Rosewood Hotel, Abu Dhabi, UAE

The conference aims to provide an in-depth exploration of the BHAD Model of Care. This model emphasizes integrated, team-based, and patient-centered approaches for individuals of all ages with serious and complex medical needs.

The conference will showcase case studies from Burjeel Hospital Abu Dhabi, (BHAD) featuring dedicated sessions on neonatal and pediatric medicine, internal medicine, maternal and women's health, and surgical care. These cases will illustrate how a multidisciplinary approach, combined with technological advancements and innovation, enhancing patient outcomes at BHAD.

Participants will have the opportunity to explore breakthroughs in clinical practice, exchange creative ideas, forge valuable connections, and gain inspiring insights from the multidisciplinary faculty.

The conference will also highlight key educational and research opportunities that can benefit the broader medical community. Moreover, it will serve as a platform for collaboration, reinforcing BHAD's commitment to integration, connection, learning, and service excellence in delivering trusted quality care.

The scientific committee will curate an engaging two-day program featuring BHAD faculty alongside experts from our parent organization, Burjeel Holdings. A variety of presentation formats will be utilized, including in-depth case discussions and rapid-fire sessions. The conference will also feature keynote presentations that emphasize the state-of-the-art care provided daily at BHAD.

This prestigious event will uphold the highest standards of scientific and educational excellence, providing an ideal platform for networking with national and international experts. We encourage you to embrace this opportunity for growth, share ideas, and contribute to the pursuit of excellence.

We look forward to a successful and impactful congress in Abu Dhabi, celebrating achievements in critical care medicine.
