Welcome Message

Dear Colleagues,

It is with great pleasure that we invite you to join us for the **1st International Cardiogenic Shock Congress: Multidisciplinary Expert Pathways in Hemodynamics, MCS, and Recovery**, which will take place on **January 31st – February 1st, 2026**, at the prestigious **Conrad at Etihad Towers Abu Dhabi, UAE**.

This premier event is dedicated to advancing the understanding and management of cardiogenic shock and will serve as a vital platform for knowledge exchange, innovation, and collaboration. Bringing together a distinguished panel of global experts, researchers, and frontline clinicians, the congress will focus on the latest developments in hemodynamics, mechanical circulatory support (MCS), and cutting-edge strategies for patient recovery.

Through dynamic interactive sessions, case-based discussions, and collaborative panels, we aim to provide a comprehensive learning experience tailored to professionals across the multidisciplinary team. Whether you are a Critical Care Physician, Anesthesiologist, Cardiologist, Heart Failure Specialist, Pulmonologist, Cardiothoracic and Vascular Surgeon, Perfusionist, Nurse, or any other healthcare provider involved in the management of cardiogenic shock, you will find valuable and practical insights designed to enhance your expertise and professional growth.

The congress will also feature pre-congress workshops, offering hands-on training that will provide an in-depth understanding of the complexities of cardiogenic shock therapy. We highly encourage you to participate in these workshops to refine your practical skills and gain firsthand experience with the latest advancements in this critical field.

In addition to the robust scientific program, Abu Dhabi, with its rich cultural heritage, breathtaking landscapes, and world-class hospitality, provides an inspiring setting for this event. We hope you will take the opportunity to explore the city's attractions, immerse yourself in its vibrant culture, and foster meaningful connections with colleagues from around the globe.

Your presence and active participation are crucial to the success of this congress. Together, we can drive innovation, improve outcomes, and shape the future of cardiogenic shock care.

On behalf of the organizing committee, we are delighted to welcome you to Abu Dhabi and are confident that the International Cardiogenic Shock Congress 2026 will be a truly memorable and enriching experience for all.
