Welcome Message

Dear Colleagues,

It is our great pleasure to invite you to the **2nd International Cardiogenic Shock Congress: Multidisciplinary Expert Pathways in Hemodynamics, Mechanical Circulatory Support (MCS), and Recovery**, taking place from **28–31 January 2027** at **Dusit Thani Abu Dhabi, UAE**.

Building on the remarkable success of our inaugural congress, the second edition will bring together an exceptional international faculty of leading experts, researchers, and frontline clinicians to explore the latest advances in the diagnosis, management, and recovery of patients with cardiogenic shock. As this rapidly evolving field continues to transform clinical practice, the congress will serve as a premier platform for scientific exchange, multidisciplinary collaboration, and the sharing of innovative approaches that improve patient outcomes.

The scientific program has been thoughtfully designed to deliver a dynamic and interactive learning experience through state-of-the-art lectures, multidisciplinary panel discussions, expert debates, and case-based sessions. Participants will gain valuable insights into contemporary hemodynamic monitoring, mechanical circulatory support technologies, evidence-based treatment strategies, and emerging concepts in recovery and long-term care.

This congress is designed for all healthcare professionals involved in the care of patients with cardiogenic shock, including Critical Care Physicians, Anesthesiologists, Cardiologists, Heart Failure Specialists, Pulmonologists, Cardiothoracic and Vascular Surgeons, Perfusionists, Nurses, and allied healthcare professionals. Whether you are an experienced specialist or an emerging leader in the field, you will benefit from practical knowledge, meaningful discussions, and opportunities to collaborate with peers from around the world.

In addition, our comprehensive pre-congress workshops will provide immersive, hands-on training led by internationally recognized experts. These workshops are designed to strengthen practical skills, enhance clinical decision-making, and offer firsthand experience with the latest technologies and therapeutic approaches in cardiogenic shock management.

Beyond the outstanding scientific program, Abu Dhabi offers the perfect setting for learning, networking, and inspiration. Renowned for its rich cultural heritage, exceptional hospitality, iconic landmarks, and vibrant atmosphere, the city provides an unforgettable backdrop for meaningful professional exchange and lasting collaborations.

Your participation is essential to the continued success of this congress. Together, we can advance multidisciplinary care, accelerate innovation, and shape the future of cardiogenic shock management for patients worldwide.

On behalf of the Organizing Committee, we are delighted to welcome you to **Abu Dhabi for the 2nd International Cardiogenic Shock Congress 2027**. We look forward to your participation and are confident that this second edition will be an inspiring, enriching, and memorable experience for all.

Warm regards,

Dr. Mohamed El Khashab
Congress Chair
Advanced Heart Failure and Transplant Cardiologist,
Heart, Vascular and Thoracic Institute,
Cleveland Clinic Abu Dhabi, UAE

Dr. Ahmed Taha
MD, PhD, Congress Chair
Clinical Associate Professor,
Cleveland Clinic Lerner College of Medicine,
Case Western Reserve University;
Associate Clinical Professor
Cardiac Intensive Care – Institute of Critical Care
Cleveland Clinic Abu Dhabi, UAE

Scientific Committee

Dr. Ahmed Sami Abuzaid

Chair of Scientific Committee;
EMHL, FACP, FASE, FSCMR, FSCCT,
FASNC, FESC, FACC
Clinical Imaging Cardiologist-Alaska
Heart and Vascular Institute (AHVI);
Director of Advanced imaging and
Nuclear Cardiology; Affiliate Assistant
Professor of Medical Education,
WWAMI, University of Alaska;
Director of Hypertrophic and Amyloidosis Clinic -AHVI
Executive Committee -AHVI,
Alaska Heart and Vascular Institute
Anchorage, Alaska, USA

Dr. Ihab Ahmed

Physician Cardiac ICU
Cleveland Clinic, Abu Dhabi, UAE

**Dr. José L. Díaz-Gómez,
MAS, NCC (UCNS), FASE, FCCM**

Congress Chair
Honorary President
Cleveland Clinic Lerner College
of Medicine (CCLCM), USA
Integrated Hospital Care Institute (IHI) Chair
Cleveland Clinic Abu Dhabi, UAE

Dr. Tarig Omer

Chair, Critical Care Institute
Cleveland Clinic Abu Dhabi, UAE
Cardiothoracic and Neuro Intensivist
Assistant Professor at Cleveland Clinic
Lerner College of Medicine, Cleveland,
Ohio, USA, Critical Care Institute

Dr. Waleed Omer Ahmed

Cardiac Critical Care Consultant
Cleveland Clinic Abu Dhabi, UAE

Dr. Amr Mohamed Abouelela

ICU Consultant, Al Qassimi Hospital
Emirates Health Services (EHS),
Sharjah, UAE

Dr. Islam Elgendy

Associate Professor and Associate
Program Director of the Interventional
Cardiology Fellowship Program
University of Kentucky
Medical Director of the Cardiac Cath Lab
at the Lexington VA Medical Center, USA

Dr. Mitesh V. Badiwala

Staff Physician, Cardiac Surgery,
Heart, Vascular & Thoracic Institute
Cleveland Clinic Abu Dhabi, UAE

Dr. Amanda Vest

Section Head of Advanced Heart Failure
and Transplant Cardiology
Cleveland Clinic, Ohio, USA

Dr. Nadya Al Matrooshi

Staff Physician, Cardiovascular
Medicine Department Heart,
Vascular & Thoracic Institute
Cleveland Clinic Abu Dhabi, UAE

Dr. Aiman Smer

Staff Physician, Cardiovascular Medicine,
Heart, Vascular & Thoracic Institute
Cleveland Clinic Abu Dhabi, UAE

Learning Objectives

- Gain a comprehensive understanding of the pathophysiological mechanisms of cardiogenic shock
- Explore Advances in Hemodynamic Monitoring.
- Optimize the Use of Mechanical Circulatory Support (MCS)
- Integrate Multidisciplinary Approaches to Patient Management
- Identify Strategies for Patient Recovery.
- Analyze Real-World Case Studies
- Stay Updated on Cutting-Edge Research:
- Discuss the unique challenges and tailored approaches for managing cardiogenic shock in pediatric, geriatric, and high-risk patient populations.

Program Highlights

- Meet the experts
- Pro Con debates
- Comprehensive Scientific Sessions
- Innovations in Cardiogenic Shock Therapy
- Multidisciplinary Expert Panel
- Real-World Case Discussions
- Advances in Mechanical Circulatory Support (MCS)
- Focus on Hemodynamics
- Panel discussions on evidence-based approaches
- In-depth sessions on the use of ECMO, Impella, VADs
- Pre-Congress Hands-on Workshops

Target Audience

- Cardiologists
- Cardiac surgeons
- Transplant surgeons
- Intensive care physicians
- Anaesthesiologists
- Paediatricians
- Neonatologists
- Respiratory therapists
- Perfusionists
- Nurses specializing in critical care or cardiac care
- Vascular surgeons
- Emergency medicine physicians
- Clinical dietitians
- Physiotherapists
- Infectious disease specialists
- Palliative care experts

Why attend the 2nd International Cardiogenic Shock Congress:

ICSCongress 2027 offers healthcare professionals a unique opportunity to:

- Access the latest advancements
- Gain expert knowledge
- Collaborate with multidisciplinary teams
- Learn from real-life experiences
- Enhance practical skills
- Gain CME Hours
- Network with peers
- Contribute to the global development of ECLS therapy

It is an investment in your professional growth and, ultimately, in improving patient outcomes and quality of care.

2026 ICSCongress Conference Glimpse

4 Days	8 Sessions	37 Lectures	2 Keynote Presentation
2 Symposium	15 Poster Presentations	4 Pre-Congress Course & Workshops	30 Speakers
23 Course Faculty	3 Workshop Speakers	10 Session Chairs	25 Countries
823 Delegates	684 National Delegates	34 International Delegates	105 Virtual Delegates

The **1st International Cardiogenic Shock Congress (ICSC 2026)** achieved significant regional and global engagement, reflecting its scientific relevance and strategic positioning. The event convened a distinguished international faculty and a highly diverse multidisciplinary audience, demonstrating strong participation across specialties, institutions, and countries. The participation metrics underscore the congress's impact as a specialized platform advancing collaboration, innovation, and clinical excellence in cardiogenic shock management.

Fax:

☐ Yes, I would like to receive information on future events by e-mail.

☐ I do not want my address to appear on the delegates list.

Registration Fees

Please select the conference that is relevant to your speciality.

• Seats are limited only for in-person / physical registration.

• Additional 5% VAT will be applicable on all fees

CONFERENCE

COURSE & WORKSHOPS

Doctors	AED 1,000	TBA	
Allied Professionals	AED 750		
Residents and Students	AED 500		

A confirmation email will be sent upon receipt of your registration form. Please note that full payment must be received prior to the event. Payment can be made via Online / Credit card / Cheque/Bank drafts in AED. All payment should be in favour of Mena Conference

Payments

Please choose one of the following mode of payment

☐ By Online (www.menaconference.com)

☐ By Credit card

☐ By cheque payable to Middle East North Africa Conference Company LLC

☐ By Bank Transfer

BANK TRANSFER
